### Captains Report

December has not been kind weather wise, the Turkey Trot was delayed by a week and for the most part our competitions have been played in wet and windy conditions. However, the resilience of Perranporth ladies is always present and it has been amazing to see so many of you battle the elements and produce excellent scores.

There was an excellent turnout for the Vi-mar Trophy with 19 pairs playing. The weather was still quite tough for the Turkey Trot but we managed 18 holes - well done all.

The Christmas Party went well and everyone was in good spirits. I'd like to thank Michelle for help in organising the fun games for after the meal.

The final comp of the year was a 2 ball Texas Scramble and once again the weather was fearsome with gusting over 50mph but 22 ladies braved the wind to blow away the Christmas cobwebs. Well done to everyone who played.

**Reminder:** Fairway mats are compulsory from 1<sup>st</sup> Nov

# **Competition Secretary Report**

Competitions for January include:

## **Ladies Stableford, 6th January 2024**

## **Ladies Random Yellow Ball, 13th January 2024**

Remember to bring an old sock or head cover to put your 3 balls in (this includes a yellow ball). Before playing on each tee you must all pick a ball from the sock and whoever pulls out the yellow ball (or marked ball) their score must count.

## **Ladies Medal, 20th January 2024**

## **Lady Captain v Vice Captain**

Watch out for the sign up sheet this is a really fun match play comp.

# 2023

2023 has been a good year for Perranporth Ladies the most notable success being the Ladies Annodata team that has won through to the finals at Montecastillo Golf Resort, Cadiz, Spain. Well done to Angie Chapman for organising and running the team and to each and every player and caddie involved in reaching the final. There are more than 400 teams nationally that enter this competition and so it is an amazing achievement for the players but also raises the status of the club at a National Level.
