Lady Captains Report

The golf season is now in full swing, with league matches, Baron Rose Bowl and Gammon all taking place this month.

Our Ladies Open day had 23 teams of 3. Jenny made an amazing poster with everyone's names and some wonderful images she created using AI. I would like to thank everyone, particularly my ladies committee for all of their support and help in making the day really special.

Baron Rose Bowl at Launceston. What an amazing effort ladies - just absolutely brilliant.

Gammon v West Cornwall at Falmouth. A sterling team effort with Perran winning 6.5 to .5.

The final trophy of the month saw the ladies section conquer the course on a warm dry day with little wind. The scores were exceptional especially Sally Andrew with an amazing net 63.

Just a gentle reminder that when playing we should always try and keep up with the group in front, this helps keep a good pace of play. If you fall behind please let the group behind you through.

Good Luck to County Captain: Vicky Lee-Comyn and her Cornish team at the Ladies South West Inter-counties match week at Perranporth GC
